Where do you find comfort? Like many people around the world, it might be with a cup of tea. Our speaker, Ann Glasscock curated *Teatime*, an exhibition that celebrates the art and culture of tea. Thanks to a generous donation to the Taft in 2014, the museum is home to dozens of 18th-century Chinese painted enamel teapots, cups, saucers, and accessories, allowing for an exploration of this beloved beverage. Arrive early to see these spectacular artworks in the exhibit in the Sinton Gallery.
