Materials for Suminagashi marbling & Orizomegami fold & dye

Each station would need (6)#4 bamboo brushes

Winsor & Newton Bamboo Brush - Short, Size 4

Boku Udon coloring inks can be used for both Suminagashi - Japanese Marbling and Orizomegami -Japanese Fold & Dye

Boku Undo marbling colors \$10. Amazon

Colorations liquid watercolor paint Set of 6, 2 OZ EA, Blue, Green, Red, Purple, Yellow, Orange 14.99 (can be shared with 3 or 4) Amazon for fold & dye

Color cups (6 section with screw top lids) <https://www.unitednow.com/Sargent-Art-Six-Jar-Paint-Storage-Tray>

Pipettes to go with above...\$6.99/100 Amazon

LegacyPro 200 Wetting Agent, 16 oz. drops are added to the Boku Undo inks to help inks spread and used also to create white areas in design.

Vinyl Gloves for fold and dye

Yasutomo Sketch Paper is fine for both Suminagashi and Fold and Dye.

Students will be repeatedly skimming the surface of the water in the marbling tray with newspaper strips 2" x 14" - 4" longer than the short dimension of the tray.

Marbling tray – light colored plastic kitty litter trays

15.16"L x 10.43"W x 3.54"H Amazon has white ones

You will need several sheets of plexiglas or cookie sheets to rinse any papers that have an excess of color. Any soap residue in the marbling trays will make colors sink.
